SCHEDULE B
Temporary Road Occupancy Permit Conditions

1. This Temporary Road Occupancy Permit is subject to all Municipal By-laws.
2. Activities, events and/or works must not be started before a Temporary Road Occupancy Permit has been issued by the Township.
3. Trees, shrubs, etc., on the right of way of a Township road must not be cut or trimmed without the permission of the Township and such cutting or trimming may only be done under the direct supervision of the Township or its duly authorized agent. Where it is necessary to cut or trim trees on a property adjacent to a Township road, the applicant must make necessary arrangements with the property owners and must bear all expenses in connection therewith, including any damages occasioned as a result of such cutting or trimming.
4. If there is an expiry date on this permit and a further term is desired, an application for the renewal of the permit shall be made to the Township before the expiry date named in this permit. A further term may be approved or refused by the Township.
5. If this permit expires and is not renewed for any reason, all work constructed, maintained or operated under this permit shall, if the Township so requests, be removed without expense to the Township and the Township road shall be left in as good a condition as it was before said works were installed or constructed.
6. This permit must not be assigned or transferred from one owner to another. Each new permit is subject to the conditions applying at the time of issue.
7. If, during the life of this permit any by-laws or regulations are adopted which affect the rights and privileges herein granted, the said by-laws or regulations shall be applicable to this permit from the date on which they came into force.
